Prayer

Lord Jesus, I recognise that you are God and have the right to control my life.

I have rebelled against you, sinning in my thoughts, my words and my actions - sometimes unconsciously, sometimes on purpose.

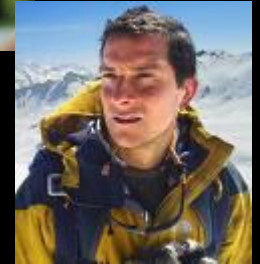

I am sorry for the way I have lived and ask you to forgive me.

As best I can, I want to turn back to you and follow you. Thank you, Lord Jesus, for dying for me on the cross. Please come into my life and lead me.

God I think you are great. Fill me with your Holy Spirit, guide me by your Word. Give me vision and determination to run the race and follow you.

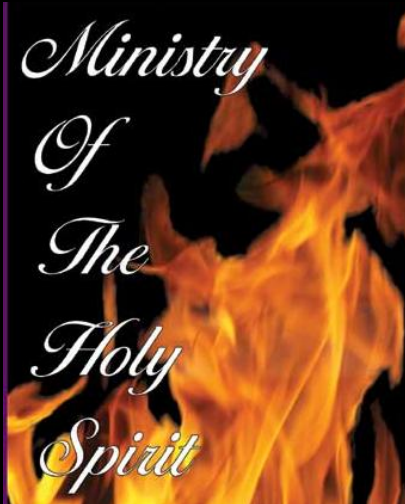

In Jesus name, Amen.
